

AIR BRAKE TUBE

REINFORCED DURABILITY

INCREASED LIFESPAN and reliability, reducing the need for frequent replacements.

ENHANCED SAFETY by minimizing the risk of brake system failures due to tubing wear or damage.

RESISTANCE TO ABRASION AND CORROSION

BUILT TO HANDLE HARSH OPERATING ENVIRONMENTS such as exposure to road debris, chemicals and Canadian weather elements.

LOWER OPERATING COSTS with reduced maintenance and downtime associated with repairing or replacing corroded or damaged tubing.

BROAD COMPATIBILITY WITH BRAKE SYSTEMS

Versatility to accommodate different types of air brake systems used in trucks, trailers, buses and other commercial vehicles.

Simplifies inventory management for fleet operators and maintenance professionals by offering a single tubing solution for multiple applications.

COMPLIANCE WITH DOT REGULATIONS

Assurance of meeting mandatory safety standards, ensuring legal compliance and minimizing liability risks.

Peace of mind for trucking companies and fleet operators knowing that your brake systems adhere to regulatory requirements.

WELL PRICED - BELOW MARKET

Better value - with no compromises.

GRYPHON FLEX™

AIR BRAKE TUBING

Our exclusive GryphonFlex Air Brake Tubing is a lightweight, semi-rigid tubing designed for use in Canada with:

TRUCK

TRAILER

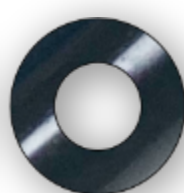

BUS

UTILITY

Available off-the-shelf in:

- Additional colours available upon request. Minimum quantities may apply.
- Meets or exceeds SAE Specification J844
- D.O.T. Approved
- Working Pressure of 250 PSI
- Temperature: -40° F to +200° F (-40° C to +93° C)
- Packaging: Coils - 250ft, 500ft & 1,000ft
- Fittings: 1400 series compression or PC1400 series push to connect
- Fittings available upon request

Specification Sheet:

Part Number 	Description 	Outer Diameter 	SAE Specification 	Coil Length (ft) 
GFB4	Black Air Brake Tubing	1/4"	J844D	1,000ft
GFB4-BLU	Blue Air Brake Tubing	1/4"	J844D	1,000ft
GFB4-GRN	Green Air Brake Tubing	1/4"	J844D	1,000ft
GFB4-ORN	Orange Air Brake Tubing	1/4"	J844D	1,000ft
GFB4-RED	Red Air Brake Tubing	1/4"	J844D	1,000ft
GFB4-YEL	Yellow Air Brake Tubing	1/4"	J844D	1,000ft
GFB6	Black Air Brake Tubing	3/8"	J844D	500ft
GFB6-BLU	Blue Air Brake Tubing	3/8"	J844D	500ft
GFB6-GRN	Green Air Brake Tubing	3/8"	J844D	500ft
GFB6-ORN	Orange Air Brake Tubing	3/8"	J844D	500ft
GFB6-RED	Red Air Brake Tubing	3/8"	J844D	500ft
GFB6-YEL	Yellow Air Brake Tubing	3/8"	J844D	500ft
GFB8	Black Air Brake Tubing	1/2"	J844D	500ft
GFB8-BLU	Blue Air Brake Tubing	1/2"	J844D	500ft
GFB8-GRN	Green Air Brake Tubing	1/2"	J844D	500t
GFB8-ORN	Orange Air Brake Tubing	1/2"	J844D	500ft
GFB8-RED	Red Air Brake Tubing	1/2"	J844D	500ft
GFB8-YEL	Yellow Air Brake Tubing	1/2"	J844D	500ft
GFB12	Black Air Brake Tubing	3/4"	J844D	250ft

GRYPHONFLEX™ HOSE, TUBE, FITTINGS AND ACCESSORIES

GryphonFlex is a major new line of hydraulic and pneumatic product systems designed to out-perform and out-compete in the Canadian marketplace.
